SILKY LIQUID HAND & BODY SOAP

DESCRIPTION

Silk Essence is a superior quality, creamy white, pearl-like liquid soap for washing the hands, the full body and shampooing the hair. It is made with pure coconut oil and has great cleaning ability, yet kind to the skin. Pearl Essence is lotionized to prevent drying, and is viscous so that a little goes a long way in hand washing, showering and shampooing.

USES

Excellent for use in refillable hand soap dispensers and for use with squeeze bottles or pump dispensers for showering and shampooing.

HOW TO USE

HAND CLEANING: Pour or dispense a small amount into palm of dry hands and massage into skin, then add a small amount of water, work up a lather and rinse away when soil is loosened.

BODY SHAMPOO: Use in similar fashion, applying to entire body a little at a time.

HAIR SHAMPOO: Wet hair, pour small amount of Silk Essence into hands. Massage into hair and scalp. Work up a lather to clean, then rinse away.
